**INDUSTRIAL POLICY 2003**  
**GOVERNMENT OF UTTARAKHAND**  
**DEHRADUN**

F.No. 102/2/2010-CX-3  
Government of India  
Ministry of Finance  
Department of Revenue  
Central Board of Excise and Customs

New Delhi, dated the 22<sup>nd</sup> December, 2010

To,

All Directors General  
All Chief Commissioners of Central Excise  
All Chief Commissioners of Central Excise and Customs

Sir/Madam,

Subject: Scope of Notification Nos. 49/2003-CE and 50/2003-CE both dated 10.06.2003

Kind attention is invited to Notification Nos. 49/2003CE and 50/2003-CE both dated 10.06.2003 which provide full exemption from excise duties to goods cleared from industrial units in the states of Uttarakhand and Himachal Pradesh for a period of ten years from the date of commencement of commercial production. The exemption is available to new units set up or existing units which have undergone substantial expansion in terms of the said notifications and commence commercial production before the cut-off date, that is, on or before 31.03.2010.

1. Representations have been received from Trade and Industry Associations seeking clarification on the availability of the exemption benefit under these notifications in the following situations:
  - (i) Where a unit starts producing some new products after the cut-off date using plant and machinery installed up the said cut-off date and without any further addition to the plant and machinery.
  - (ii) Where the installed capacity in a particular unit is upgraded after the cut-off date, so as to increase the efficiency of the machinery by installing ancillary machines of replacement of some parts etc but in such a way that it does not lead to increase in capacity of production.
    - (i) Where new dosage forms are manufactured after the cut-off date on the same line of production with the same machinery.

- (ii) Where a unit manufactures a new product by installing fresh plant machinery or capital goods after the cut-off date.
2. Board has examined the matter. Under the said notifications, any new unit set up or an existing unit which has undergone substantial expansion that commences commercial production before the cut-off date is entitled to excise duty exemption in respect of excisable goods (other than those appearing in the negative list) manufactured and cleared for a period of ten years from the date of commencement of commercial production. The provisions of these notifications do not place a bar or restriction on any addition/modification in the plant or machinery or on the production of new products by an eligible unit after the cut-off date and during the exemption period of ten years as per the notification. Therefore, it is clarified that in all the above situations, the benefit of the excise duty exemption under the notifications would continue to be available to eligible industrial units. However the period of exemption would remain ten years and would not get extended on account of such modifications or additions under any circumstances.
  3. Trade and industry and field formations may be suitably informed.
  4. Receipt of the Circular may be acknowledged.
  5. Hindi version will follow.

Yours faithfully

(Dr. Ravindra J Dange)  
Under Secretary (CX-3)

## **PREFACE**

- The existing Industrial Policy was framed in the back-drop of potentialities and expectations of the newly created State of Uttarakhand. The policy focused on the sectors where Uttarakhand has inherent advantages e.g., Tourism, Hydro-power, Floriculture, Agro and Food processing, Handloom, Khadi and Village Industries etc.
- The Hon'ble Prime Minister of India during his visit to Nainital in March 2002 announced that a special package of incentives would be given to promote Industrial Development in Uttarakhand to offset the constraints that hampered this process. The package was formally declared on 7<sup>th</sup> January 2003. In the light of this package and seeing the interest already evinced by potential entrepreneurs, drawing lessons from the experience of our existing Industrial Policy and experience of other States, taking note of inputs received from the various stake holders and keeping in view the ground realities of liberalization, and allied trends of economic reforms, the State Government has found it expedient to formulate a New Industrial Policy.
- The aim is to provide a comprehensive framework to enable a facilitating, investor friendly environment for ensuring rapid and sustainable industrial development in Uttarakhand and, through this, to generate additional employment opportunities and to bring about a significant increase in the State Domestic Product and eventual widening of the resource base of the State. This will be termed as the New Industrial Policy 2003, and shall remain in force for a period of 5 years.

## **VISION**

- To create high quality world class infrastructure facilities in the State and enhance, in particular, connectivity to the National Capital Region (NCR) and other leading markets.
- To provide single window facilitation in the State to expedite project clearances and provide an investor friendly climate.
- To provide and facilitate expeditious land availability for setting Industrial ventures and Infrastructure projects.
- To promote and encourage private sector participation in the development and management of infrastructure projects such as Industrial Estates/Areas, Growth Centers, IIDCs, Special Economic and Commodity Zones and Parks, Theme Parks, Tourism infrastructure, development of new tourist destinations, Airports/Helipads/Airstrips, Roads, generation, transmission and distribution of power, and projects in the area of Horticulture, Floriculture, Bio-technology etc.
- To provide assured, good quality, uninterrupted and affordable power for industries.

- To simplify and rationalize labour laws and procedures in tune with the current day requirements, while ensuring that the workers get their due share in the economic prosperity of the State.
- To promote, in particular, Small scale, Cottage and Khadi and Village Industries and Handicrafts Silk and Handloom sectors, assist them in modernization and technological up-gradation and provide the necessary common facilities and backward and forward linkages, including product design and marketing support so as to make them globally competitive and remunerative.
- To address problems of sickness and incipient sickness in Industry, particularly SSIs and facilitate required restructuring and rehabilitation, etc. in coordination with the Banks and financial institutions.
- To promote Industries based on local resources particularly in the Areas of Agriculture, Horticulture, Agro & Food Processing and Floriculture.
- To promote planned and scientific exploitation of the mineral resources of the State and maximize value addition within the State.
- To promote leading edge technologies and sunrise industries in the State in the areas of Information Technology and Bio-Technology.
- To promote public/private sector involvement in generation of power and strengthening of the transmission and distribution network.
- To promote Tourism as a focus area and develop Uttarakhand as a premier global tourism destination.
- To provide special attention for setting up industries in remote areas.
- To develop and strengthen air, road, rail and other connectivity.
- To develop Uttarakhand as a premier education and research centre by leveraging the presence of world-class Research and Technical Institutes existing in Uttarakhand.

## **ADVANTAGE UTTARAKHAND**

### **NON – FISCAL**

- Uttarakhand is blessed with a rare bio-diversity, inter-alia, 175 rare species of aromatic & medicinal plants are found in the State.
- The State has almost all major climatic zones, making it amenable to a variety of commercial opportunities in horticulture, floriculture and agriculture.
- The State has rich mineral deposits of limestone, soapstone, magnesite etc., besides minor minerals. Resource mapping is being undertaken.
- The State has a vast tourism potential: adventure, leisure, eco-tourism in its widest sense, religious/spiritual, with a large potential for related services and scope to develop niche markets, apart from traditional investment opportunities.
- The Literacy rate in the State is 72%, which is indicative of abundant availability of quality human resources the State also has a large number of top quality educational institutions, and National and State level Research & Training Institutes and Institutions of excellence.
- The State has a peaceful and pollution free environment conducive for Industrial development and good quality of life. The law and order and security situation in the State is very good.
- The State is rich in Power resources and potential with availability of assured, uninterrupted, quality power at affordable and competitive rates.
- Action is being taken to simplify and rationalize the Labour Laws.
- The State has an Earth Station at Dehradun and two more are proposed. An Information Technology Park is in the process of being established
- The State has four AEZs for Litchi/fruits, Floriculture, Herbs and Medicinal Plants and Basmati Rice.
- State level Udyog Mitra has been set up under the Chairmanship of Hon'ble Chief Minister.
- A multipurpose Industrial Promotion, Investment & Infrastructure Development Corporation in the style of State Industrial Development Corporation of Uttarakhand Limited (SIDCUL) has been set up in which participation of various Banks and Financial Institutions like SIDBI, ICICI and LIC is committed and of various others is proposed.
- Marketing assistance to Khadi and Village Industries, SSIs, Cottage Industries, Wool-based Industries, Handloom, Silk and Handicrafts Industries.
- Major Bio-Technology complex is proposed to be setup around the Pantnagar Agriculture University.
- State is putting in place mechanisms to:-
  - Provide Single Window Facilitation in the State to help/cut delays and provide an investor friendly climate.
  - Provide and facilitate expeditious land availability for setting Industrial ventures and Infrastructure projects.
  - Arrange financing through a Consortium of Banks and Financial Institutions.

- Promote and encourage private sector participation in the development and management of infrastructure projects such as Industrial Estates / Areas, Growth Centers, IIDC's, Special Economic and Commodity Zones and Parks, Theme Parks, Tourism infrastructure, development of new tourist destinations, Airports/Helipads/Airstrips, Roads, generation, transmission and distribution of power, and projects in the area of Horticulture, Floriculture, Bio-technology etc.

## **FISCAL**

- 100% Central Excise exemption for 10 years on items other than those mentioned in the negative list in the Concessional Industrial Package announced by the Central Government.
- 100% Income Tax exemption for first 5 years and 30% for next 5 years for the Companies and 25% for others.
- CST @ 1% for 5 years.
- Capital Investment Subsidy @15% with a maximum of Rs. 30 Lakhs. (Rs. 3 million).
- Central Transport Subsidy extended till 2007.
- Exemption from entry tax on Plant & Machinery for setting up Industry or undertaking substantial expansion and modernization.
- Land use conversion and development charges and regime will be rationalized.
- Stamp duty concessions will be provided in respect of land in specialized commodity parks, including I.T. parks.
- Interest incentive @ 3% with a maximum of Rs. 2 lakhs per annum per unit shall be provided to New Small Scale Industries (SSIs) and existing SSIs for modernization and substantial expansion, provided they have availed loan from State level Financial Institutions or Banks operating in Uttarakhand and not defaulted in payment of principal or interest installments. However, for S.S.I units and units notified as Thrust Industries being set up in remote areas, the interest incentive shall be granted @ 5% with a maximum of Rs. 3 lakhs/annum. The interest incentive shall be admissible to the unit only if it remains in operation for a minimum of three years from the date of disbursement of last instalment, failing which the Government will have the right to recover the entire amount of incentive availed.
- In the case of sick non-SSI units, Government will sympathetically consider measures required under revival/rehabilitation package drawn by Operating Agency/Financial Institutions/Banks.
- 100% exemption on Entertainment tax will be allowed for Multiplex projects in the State for a period of three years, and for all new amusement parks and ropeways for five years.
- 75% of the Total Expenditure subject to a maximum of Rs.2 lakhs incurred in obtaining national/internationally approved quality marks such as ISO series certificate etc., shall be reimbursed to the entrepreneurs provided that the reimbursement / grant availed for this from all sources should not exceed the total expenditure on this head.

- 50% of the expenses subject to a maximum of Rs.1 lakh incurred in installing pollution control equipments shall be reimbursed to the entrepreneurs, provided that the total reimbursement /grant availed for this from all sources should not exceed the total expenditure on this head.
- 75% of the cost subject to a maximum of Rs. 2 lakhs shall be made available to the entrepreneurs in the shape of assistance for registering their patents, provided that the total reimbursement/grant availed for this from all sources should not exceed the total expenditure on this head.
- For educated unemployed youth, financial loan assistance for projects upto Rs. 2 lakhs in case of Manufacturing/Service Industry and projects upto Rs. 1 lakh in business sector shall be available under the “PRIME MINISTER ROZGAR YOJNA” with subsidy of 15% of the project cost subject to a maximum of Rs. 15,000. Age limit has also been relaxed under this scheme from 35 years to 40 years.
- Industries generating employment opportunities shall be encouraged.
- Purchase preference and price preference will be given to State SSIs in State purchases.
- Purchase preference shall be accorded to Non-SSI units within the State vis-a-vis units outside the State.
- Matching State subsidy on approved projects of National Horticulture Board (NHB), Agricultural & Processed Food Products Export Development Authority (APEDA), National Medicinal Plant Board (NMPB) subject to a maximum of Rs. 20 Lakhs and subject to a total subsidy not exceeding over 50% of the project cost.

## **POLICY INSTRUMENTS**

### **INSTITUTIONAL MECHANISM**

#### **SINGLE WINDOW CONTACT, INFORMATION AND FACILITATION**

- This would be operative in the District Industries Centres at the District level and State Industrial Development Corporation of Uttarakhand Limited
- (SIDCUL) at the State level. These Centres would be providing all information and escort services to the entrepreneurs.
- A data bank will also be maintained at these centres and they will also
- endeavour to provide a composite application forms and related information to the entrepreneurs.
- The DICs are also working as District Offices of State Industrial Development Corporation of Uttarakhand Limited (SIDCUL).

## **SINGLE WINDOW CLEARANCE MECHANISM**

- State Industrial and Investment Promotion Board will be setup under the Chairmanship of the Hon'ble Chief Minister with concerned Ministers and Government officials, Captains of Industry and specialists of National/International repute as its members.
- State level Investment and Infrastructure Committee to be headed by the Chief Secretary and having the concerned Secretaries as its members shall be set up for expeditious disposal of proposals involving inter-departmental policy issues or any special dispensation. The recommendations of the committee will be placed before the Hon'ble Chief Minister for final approval.
- At the District level, a committee headed by the District Magistrate will be setup to act as a forum for facilitating single window clearances.
- The DIC and SIDCUL shall function as the Secretariat for these District and State level Committees respectively.

## **DEEMED CLEARANCES**

- A system of deemed clearances will be put up in place wherever possible and time bound limits will be prescribed for the purpose in respect of various concerned departments.
- For other statutory, financial and Government of India related clearances, the State shall render all possible assistance and escort services to the entrepreneurs.

## **UDYOG MITRA**

At the State level, Udyog Mitra has been setup under the Chairmanship of Hon'ble Chief Minister as an apex interactive, policy and problem redressal body with the concerned Ministers, Government officials, Banks, FIs and representatives from the Industrial Associations as its members.

The District level Udyog Mitra has been setup under the Chairmanship of District Magistrate for the above purpose. Its membership includes the district level officials of the various departments, Banks, FIs and representatives of Industrial associations.

## **LAND**

The State Government is developing and promoting Industrial Estates and will provide land/plots to the entrepreneurs keeping in view their requirement, preference and availability at the earliest. Stamp Duty concessions will be provided for plots in designated theme parks and specialized commodity estates, including IT parks. Land use conversion and development charges and regime shall be rationalized.

The Government has identified Industrial Areas to be notified with reference to the Industrial Package announced by the Government of India. Such areas will be notified

from time to time as per need. The State Government will, wherever necessary, facilitate the entrepreneurs to secure land in such areas.

## **PRIVATE SECTOR PARTICIPATION**

The State Government also invites private sector participation in development of infrastructure projects including specialised Industrial Estates and Special Economic Zones, Export Zones, Food Parks, Theme Parks, Biopolis, Tourism Destinations, Generation, Transmission & Distribution of Power, Roads, Airports, ICDs, Integrated Industrial Townships, Civic Infrastructure, etc.

## **INFRASTRUCTURE**

Specific concessions as may be necessary for infrastructure projects will be considered on merit basis. The State Government along with the Infrastructure Development and Finance Company (IDFC) has set up a joint venture Company in the name of Uttarakhand Infrastructure Development Company (U-Dec) to provide necessary professional advisory services to the State Government in this regard.

## **MEGA PROJECTS**

Projects over Rs. 50 crores (Rs. 500 Million) Investment or projects of significance for the State shall be considered, on a case to case basis, for grant of any further concessions or dispensation by the State level Investment & Infrastructure Committee.

## **FINANCE**

The State Government through SIDCUL along with Consortium of Bankers and Financial Institutions shall endeavour to arrange timely and adequate credit to the entrepreneurs. The State will also endeavor to arrange to mobilize venture capital for suitable projects from existing venture capital funds and also consider setting up such a fund in the State.

## **POWER**

- The State of Uttarakhand has adequate availability of Power and is aiming to further increase Hydro Power production by over 5000 MW before the end of present decade. A number of small & medium size hydro-sites have already been identified to be developed in the private sector or in public-private partnership, besides development of projects in the public sector. Thus assured supply of quality power will be made available to the entrepreneurs setting up Industrial Units in the State.
- As per Electricity Reforms Act, the tariffs are to be determined and regulated by the State Electricity Regulatory Commission. However, with the addition of capacities, augmentation of existing capacities and expansion and revamping of transmission and

- distribution network, power will be available to Industrial units in the State at the attractive and competitive rates.
- There is no restriction in the State in using power during the peak hours. However, the tariff for continuous and non continuous supply is to be fixed by the Regulatory Commission.
  - As a large investment is being made in the distribution network, it will enable substantial reduction in the system loading charges.
  - District level Udyog Mitra will sanction load upto 50 BHP and the load above 50 BHP will be sanctioned by the Regional Committee of the Uttarakhand Power Corporation Limited (UPCL).
  - The minimum charges shall be subsumed in the monthly bill.
  - Industrial consumers shall also have the option to lay their own line from the nearest sub-station of the Uttarakhand Power Corporation through registered engineers/contractors at their own cost.

### **SIMPLIFICATION OF LABOUR LAWS**

- Labour laws will be simplified in such a manner so as to create a conducive atmosphere for industrialization while protecting the interests of the workers.
- System of self-certification and amalgamation of returns will be put in place so as to substantially decrease the paper work.
- With a view to end harassment, the entire regime of inspections will be rationalized to ensure that they are corrective rather than punitive in nature.

### **REMOTE AREAS**

- A large part of Uttarakhand comprises of remote & hilly areas. There is deficiency of infrastructure and other constraints relating to market access etc. in such areas. The State Government will take the following measures to promote appropriate industrialization in these areas:
  - All areas located at altitudes higher than 3000 ft above mean sea level shall be deemed as remote areas for the purpose of State Interest incentive.
  - Under the State Interest Incentive Scheme, units located in such remote areas will be given an enhanced interest incentive which shall be @ 5% with a maximum of Rs. 3 lakhs/annum. This shall be admissible to only if the unit remains in operation for a minimum of 3 years from the date of disbursement of last instalment, failing which the Government will have the right to recover the entire amount of subsidy availed.
  - The State Government will give special attention for developing infrastructure and common facilities in these areas.

### **KHADI AND VILLAGE INDUSTRIES**

Special emphasis will be laid on the development of Khadi and Village Industries, cottage and tiny industries.

- Common facility centres for packaging and marketing will be developed. Efforts will be made to develop channels for marketing through private outlets with common branding and facilitation of global exports.
- Action will be taken to provide assistance in respect of new and innovative designs, in tune with consumer demand, including demand in Khadi silk, etc.
- The State Government will provide assistance for standardization of quality and production of ready-made garments from Khadi Cloth.

## **SMALL SCALE INDUSTRIES**

- Small Scale Industries (SSIs) to be set up in the State shall be encouraged to procure modern technology and shall be accorded price and purchase preference in Government purchases.
- An interest incentive @ 3% with a maximum of Rs. 2 lakhs/annum shall be provided to New SSIs and to existing SSIs for modernization and substantial expansion provided they have availed loan from State level Financial Institutions and Banks and not defaulted in payment of principal or interest installments. For SSI units coming up in remote areas the rate of interest incentive will be 5% with a maximum of Rs. 3 lakhs/annum.
- For revival/rehabilitation of sick SSIs units, an interest incentive @ 3% with a maximum of Rs. 2 lakhs per annum shall be provided on the revival and rehabilitation package loan taken from financial institutions, banks etc. For entrepreneurs in remote areas the interest incentive will be granted @ 5% with a maximum of Rs. 3 lakhs per annum. The interest incentive shall be admissible only if the unit remains in operation for a minimum of 3 years from the date of disbursement of last instalment, failing which the Government will have the right to recover the entire amount of incentive availed.
- For revival/rehabilitation of sick non - SSIs units, Government will sympathetically consider measures required under the revival/rehabilitation package drawn up by Operating Agency / Financial Institutions / Banks.

## **MARKETING SUPPORT**

- Purchase and price preference in Government purchases shall be accorded to the SSIs located in Uttarakhand subject to quality norms.
- Prices at pre-trade tax level shall be reckoned for comparison while making Government purchases to provide an impetus to local Industry.
- Non-SSI units located at Uttarakhand shall also be given purchase preference in Government purchases with reference to units located outside the State.
- Marketing assistance will be provided to the Small Scale Enterprises through organisation of buyer-seller meets, and facilitating participation in Trade Fairs etc.

## **HANDICRAFTS**

Uttarakhand's potential for traditional Handicraft items, will be tapped by aggressive support in the area of Marketing, Design upgradation and provision of adequate backward and forward linkages. Under Baba Saheb Ambedkar Hast Shilp Vikas Yojna and other centrally sponsored schemes, a package of support to artisans and handicraft artisans will be provided which include basic inputs and infrastructure support like diagnostic survey and project plan, mobilization of artisans, training, design development, new techniques, packing, common facility centre, marketing events, exhibitions, emporiums and publicity.

The traditional handicrafts like woollen carpet, wood carving, Ringal crafts and copper crafts, etc shall be encouraged through various initiatives like:-

- Training by Master Craftsmen will be organised in situ and these locations will be developed as "Shilp Grams".
- Action will be taken to promote and develop Handicraft products as souvenir items, and facilitation of their marketing in Tourist and Commercial Centres within and outside the State.
- Efforts will be made to promote export of these items by organizing fairs, development of showrooms with private participation, and support in the area of publicity.
- An Urban Haat is being developed in Dehradun and Rural Handicrafts Centres (Gramin Shilp Kendras) are being developed in the other districts for the display and marketing of Handicraft products.
- A Crafts Design Center is also proposed to be developed in district Nainital with a view to develop new designs and products in line with the market demand.
- In order to encourage diamond cutting & polishing and gem industry, a Gem and Jewellery Park is proposed to be established in the State.

## **HANDLOOMS**

This Industry is of vital importance for employment generation in rural areas.

- Under the Deen Dayal Hathkargha Protsahan Yojna action will be taken to benefit Cooperative Societies or registered groups of Handloom weavers. Members of these groups would be imparted training as well as be provided with modern looms and designs.
- Action will be taken for facilitating the marketing of their products by setting up showrooms in public private partnership and motivating them to export their produce.
- Establishment, expansion and modernization of Design Centres will also be undertaken.
- The State Government proposes to develop Integrated Handloom Complexes where facilities for dyeing, carding, development of designs, etc. will be provided.
- Silk and silk products have been declared as thrust industries. Keeping in view the availability of high quality of silk in the State, silk production and its allied activities

will be encouraged and steps will be taken to modernise the existing industries as well as to promote the measures for value addition.

## **WOOL BASED INDUSTRY**

- Special emphasis will be given on improving availability of good quality raw material, wool processing, grading, and quality and design improvement, providing training to artisans, strengthening of marketing arrangements and mobilize institutional finance for development of this Industry.
- Non-traditional animal wool fibres will also be encouraged and developed. By way of developing backward linkages, efforts will be made to promote scientific methods of shearing, sorting, grading and other wool processing activities.
- Action for product diversification, design improvement, technology upgradation, training and marketing support will be undertaken in a systematic manner.
- Wool Banks and Wool auction yards and integrated complexes for processing, grading etc. will be established at suitable locations.

## **AGRO AND FOOD PROCESSING INDUSTRY**

A large quantity of agro produce is wasted because of lack of adequate post harvest technology, storage and processing facilities. In order to exploit the natural advantages and potential of the State in terms of crop and climatic diversity, special efforts will be made to develop & strengthen this sector. Action will be taken to bring about synergy between related schemes of various Central and State Government departments, and provision of backward and forward linkages in an integrated manner.

- The State Government will assist in establishing small & medium size Agro Parks, Food Parks etc., which will provide common infrastructure facilities for storage, processing, grading and marketing, thus ensuring that surplus fruits and vegetables do not go waste as at present.
- Four Agri Export Zones have already been declared under the AEZ scheme of the Government of India for Leechi, Horticulture, Herbs, Medicinal Plants and Basmati Rice. Further, efforts will continue to promote production for export and provide access to domestic and export markets for products from the State.
- Special efforts will be made to modernize the packaging Industry in the State with the objective of producing durable, attractive and eco-friendly packaging material.
- To avoid wastage of fruits and vegetables, action will be taken to develop, in public/private partnership, post harvest management infrastructure and to
- create an integrated network for marketing of horticulture produce including cool chains. The State Government will endeavor to develop Horticulture Farms as integrated complexes to disseminate modern technology and provide market linkages in collaboration with reputed Non-Governmental Organisations and Companies in a public- private partnership framework.

- Uttarakhand has been included in difficult area category by the Ministry of Food Processing Industry (MFPI), Government of India and hence units being set up in Uttarakhand will be eligible for higher incentives under the schemes of MFPI.
- The State Government is also providing matching subsidy for projects under various schemes of Agricultural & Processed Food Products Export Development Authority (APEDA), National Horticulture Board (NHB), Ministry of Food Processing Industry (MFPI) and the Natural Medicinal Plant Board (NMPB) subject to a maximum limit of Rs. 20 lakhs.

## **FLORICULTURE**

- Uttarakhand has almost all the different Agro-geo climatic zones which makes it particularly conducive to commercial floriculture. The State Government will make efforts to develop this activity in a big way with a reference to both domestic and export markets and as means for creation of employment and income generation opportunities for farmers in the State.
- This Sector will be accorded Industry status.
- It is proposed to establish Floriculture Parks with common infrastructure facilities for sorting, pre-cooling, coldchain, processing, grading and packing/marketing facilities.
- Infrastructure by way of centres for development and supply high quality root stock and planting materials and collection and transportation network etc will be developed. The airstrips near Dehradun and Pantnagar will be expanded and strengthened to facilitate air lifting facilities in course of time.
- Efforts will be made to enlist the cooperation of institutions like the APEDA, NHB, MFPI for the development of projects and facilities for this sector.

## **TEA INDUSTRY**

Recently, intensive efforts have been commenced in the State to significantly expand the plantation of tea with the involvement of a large number of small, marginal farmers and landless labour. Already 560 acres of new plantations have been developed and it is proposed to bring very substantial and additional acreage under tea plantation over the next few years. A database of suitable land for the purpose has been created. Action will be taken to encourage the setting up of tea processing and packaging units and thus establish Uttarakhand as a major tea producer in the country.

## **FOREST BASED INDUSTRY**

Uttarakhand has a reported forest area of around 65 percent. There is, thus, excellent potential for the development of forest resources based Industries in the State, while taking due care to maintain the ecological balance and compliance with laws relating to forest conservation and environmental protection. In addition, there is ample scope to develop industries based on forest and agro-wastes such as lantana, pine-needles, plant and vegetative fibers such as Rambans, etc. Action will be taken in an integrated manner

and in cooperation with specialized agencies, for research and development, product development and promotion of industries based on such materials.

Steps will be taken to encourage non-timber based industries such as Bamboo, Ringal, Resin, non traditional fibres, matches, paper and paper products, plywood / flush boards, furniture, wood carvings, sport goods, toys, pencils etc, keeping in view their vast employment opportunity and export potential.

## **TOURISM**

- Uttarakhand offers immense opportunities for development of a vast array of tourism, infrastructure related activities and services.
- The State Government has set up Statutory Uttarakhand Tourism Board under the Chairmanship of the Hon'ble Minister of Tourism to function as an apex body for development of Tourism in the State.
- A shelf of projects has been prepared through reputed consultants for development through the private sector. Further, such opportunities will be identified on a continuing basis. Various options for public - private partnership in the Tourism sector would be available.
- Tourism Industry has been accorded the status of a thrust in the State.
- 100% exemption on Entertainment tax will be allowed for all new Multiplex projects in the State for a period of three years.
- A detailed separate Tourism Policy has also been formulated under which:
- New tourism units will be allowed rebate/deferment facility in respect of luxury tax for a period of five years from the date of commencement.
- New Ropeways installed in the State will be exempt from payment of entertainment tax for a period of five years from commencement.
- New Amusement parks set up will be exempt from entertainment tax for a period of five years from the date of becoming fully operational.

## **INFORMATION TECHNOLOGY**

The State is naturally endowed and has all pre-requisites for developing as a preferred destination for IT & ITES along with hardware production.

- IT and IT related services have been accorded Industry status.
- Uttarakhand offers high speed connectivity with the establishment of an STPI Earth Station at Dehradun and proposed Earth Station at other locations. Other reliable connectivities available in the State are by BSNL and Reliance.
- A dedicated IT park is already coming up in Dehradun & other are planned in other parts of the State.
- Land use and conversion charges and regime are being rationalized.

- IT and IT enabled services will be accorded public utility status. Relaxation of norms will be given for the working of women in all three shifts subject to proper controls, facilities & infrastructure.
- Exemption on Electricity duty on Generator sets will be given for IT Industry established in IT Parks/Industrial Estates.
- Stamp Duty Concessions will be given to units located in IT Parks.
- The State Government will provide free Bandwidth up to 2 mbps to all IT Software Companies/IT enabled service based Companies, Call Centres, BPOs etc for 1 year, subject to the following stipulation:

- I. Hardware/Installation cost would be borne by the applicant.
- II. The Bandwidth will be non-sharing and non-transferable.
- III. The Entrepreneur/Company can connect to BSNL/VSNL/STPI or any private service provider for the said Bandwidth. However, the cost of the said Bandwidth would be kept at the rates offered by STPI/BSNL.
- IV. The following criteria will be adopted for providing the connectivity:
  - a) **Category -1.**  
Call Centres.  
25 Seater – 512 KBPS.  
50 Seater – 1 MBPS.  
100 Seater- 2 MBPS.
  - b) **Category -2.**  
Offline BPO and such other establishments: 1/4<sup>th</sup> of the above.
  - c) **Category -3.**  
Online BPO and such other establishments: 1/2 of the above.
  - d) **Category -4.**  
Combination of activities: subject to maximum prescribed in 1<sup>st</sup> category.

V. Cyber Cafe / IT establishments for entertainment of people are excluded from the purview of this offer.

VI. The commencement date would be the date of first connect and the offer of an incentive is for continuous one year and cannot be availed in patches.

## **BIOTECHNOLOGY**

Biotechnology (BT) is poised to make significant contributions in agriculture, human and animal health care, environment management and process industries. Rare species of plants and animals found in the State, add to its natural advantage in this sector. In this context, a MOU has already been signed between Rabo India Finance Company, Infrastructure Development Finance Company and the G.B.Pant University of

Agriculture and Technology in order to forge strategic cooperation to jointly pursue initiatives in the sphere of research in food and agriculture sectors. A high level Biotechnology Board is also being setup under the Chairmanship of the Hon'ble Chief Minister.

The strategy of the State will include the following:-

- Units coming up in this sector, including the R & D units in this field, shall be accorded Industry status and the provisions made for the IT sector shall be made applicable to this sector.
- Establish an internationally competitive business infrastructure and environment for the BT Industry in the State.
- Develop Uttarakhand as a centre of excellence in biotechnology by providing necessary education and training facilities for the creation of a large pool of multi-skilled, technically competent manpower and organizations for state of the art biotechnology research in the State.
- A Biotechnology Park will be developed near Pantnagar to achieve the vision of the Government. The proposed Biotechnology Park will integrate resources and provide amongst others, a focused institutional set up for accelerated commercial growth of Bio-Technology and Bio-Informatics.

## **INDUSTRY BASED ON HERBAL AND MEDICINAL PLANTS**

Uttarakhand is a store house of rich variety herbs, medicinal and aromatic plant species. The Government wishes to exploit this by helping industries for value addition in this sector and giving emphasis on institutional R&D driven by the market.

- An integrated action plan has been drawn up for this purpose in coordination with the Government of India and other concerned agencies in the State and elsewhere in the country.
- Strategic linkages and connectivity will also be forged between this Industry and Tourism related activities.
- Special emphasis will be given to arrangements for marketing both within the country and abroad.
- R&D in the Medicinal Plants and commercial production of applications and formulations will be developed in conjunction with Research Institutions and reputed companies.
- Scientific cultivation on contract farming will be encouraged with special emphasis on value addition within the State.
- A Medicinal and Aromatic Plants Export Zone has been set up covering seven districts of Uttarakhand and Specialized Herbal Parks are in the offing.

## **BOTTLING PLANTS, WINERIES, BREWERIES AND MINERAL WATER**

- The State Government has already announced its Excise Policy. The applications of competent entrepreneurs will be considered in accordance with the Excise Policy of the State for setting-up of bottling plants, wineries, breweries.
- A number of rivers are originating in the State. These are providing a good source for mineral water industry. The Government will encourage setting up of new mineral water bottling plants in the State.

## **RESTRUCTURING AND REVIVAL OF SICK UNITS**

- Incidence of sickness and incipient sickness as defined by RBI guidelines shall be expeditiously dealt within co-ordination with Banks and Financial Institutions.
- The District Level Committee under the Chairmanship of District Magistrate and the State Level Inter Institutional Committee (SLIIC) shall consider the package, concessions and assistance to be provided by the various agencies for such revival and rehabilitation as per the revival plan prepared by OA/Banks/FIs.
- For revival/rehabilitation of sick SSIs units, an interest incentive @ 3% with a maximum of Rs. 2 lakhs/annum shall be provided on the loan taken from financial institutions, banks etc. under a fully tied up revival and rehabilitation package. For units in remote areas the interest incentive will be granted @ 5% with a maximum of Rs. 3 lakhs/annum.
- In the case of sick non-SSIs units, Government will sympathetically consider measures required under revival/rehabilitation package drawn by Operating Agency/Financial Institutions/Banks.

## **HUMAN RESOURCE DEVELOPMENT**

- The Government with the active participation of Industry, shall revitalise the network of Industrial Training Institutes and Polytechnics to upgrade the quality and skill of manpower. The involvement of Industry in the management of government training institutes will be encouraged.
- As part of the initiative to promote a strong entrepreneurial base, the Government, with the help of Industry Associations and others, will promote Entrepreneurship Development programmes.
- Special focus will be given on Entrepreneurship Development in remote areas to develop local entrepreneurship.

## **EMPLOYMENT**

One of the main objectives of the Industrial Policy 2003 is enhancement of employment opportunities. To this end all endeavours will be made to promote self employment, entrepreneurship development, industrialization and ancillarization.

## **EPILOGUE**

The State Government with these initiatives coupled with the Concessional Industrial Package announced by the Government of India, the inherent advantages of the State, the peaceful law and order scenario, and a progressive, hard working people, stands committed to ensure Industrial growth and prosperity in the State.

This is a dynamic policy and further measures as necessary will be considered from time to time. Care will be taken to ensure that commitments made are honoured and the joint efforts of the Government and the industry bring the desired results.

**No. 1 (10) / 2001 - NER**  
**Government of India**  
**Ministry of Commerce & Industry**  
*(Department of Industrial Policy & Promotion)*

**New Delhi, Dated 7<sup>th</sup> January, 2003**

**OFFICE MEMORANDUM**

**Subject:- Concessional Industrial Package Govt. of India.**

1. The Hon'ble Prime Minister, during the visit to Uttarakhand from 29<sup>th</sup> to 31<sup>st</sup> March, 2002, had, inter-alia made an announcement that 'Tax and Central Excise concessions to attract investments in the industrial sector will be worked out for the Special Category States including Uttarakhand. The industries eligible for such incentives will be environment friendly with potential for local employment generation and use of local resources.'

2. In pursuance of the above announcement, discussion on Strategy and Action Plan for Development of Industries and generation of employment in the states of Uttarakhand and Himachal Pradesh were held with the various related Ministries/agencies on the issue, inter-alia, infrastructure, development, financial concessions and to provide easy market access, The new initiatives would provide the required incentives as well as an enabling environment for industrial development, improve availability of capital and increase market access to provide a fillip to the private investment in the state.

3. Accordingly, it has been decided to provide the following package of incentives for the states of Uttarakhand and Himachal Pradesh.

**3.1 Fiscal Incentives to new Industrial Units and to existing units on their substantial expansion:**

**(I).** New industrial units and existing industrial units on their substantial expansion as defined, set up in Growth Centres, Industrial Infrastructure Development centres (IIDCs), Industrial Estates, Export Processing Zones, Theme Parks (Food Processing Parks, Software Technology Parks, etc.) as stated in Annexure-I and other areas as notified from time to time by the Central Government, are entitled to :

**(a)** 100% (hundred percent) outright excise duty exemption for a period of 10 years from the date of commencement of commercial production.

**(b)** 100% income tax exemption for initial period of five years and thereafter 30% for companies and 25% for other than companies for a further period of five years for the entire states of Uttarakhand and Himachal Pradesh from the date of commencement of commercial production.

(II) All New industries in the notified location would be eligible for capital investment subsidy @ 15% of their investment in plant & machinery, subject to a ceiling of Rs.30 Lakhs. The existing units will also be entitled to this subsidy on their substantial expansion, as defined.

(III). Thrust Sector Industries as mentioned in Annexure-II are entitled to similar concessions as mentioned in Para 3(I) & (II) above in the entire state of Uttarakhand and Himachal Pradesh without any area restrictions.

### **3.2 Development of Industrial Infrastructure:**

(i) The funding pattern under the Growth Centre Scheme currently envisaging a Central assistance of Rs.10 Crores per centre is raised to Rs.15 crore per centre.

(ii) The financing pattern of Integrated Infrastructure Development Centres (IIDC) between Government of India and SIDBI will change from 2:3 to 4:1, and the GOI funds would be in the nature of a grant, so as to provide the required infrastructural support.

### **3.3 Other Incentives:**

(i) **Deen dayal Hathkargha Protsahan Yojna and other incentives of Ministry of Textiles:** The funding pattern between Government of India and both the States would be changed from 50:50 to 90:10 under this Scheme. Ministry of Textiles would extend its package of incentives, as notified for North-Eastern States, to the states of Uttarakhand and Himachal Pradesh also.

(ii) **Ministry of Food Processing Industries** would include Uttarakhand in difficult areas category. The state of Himachal Pradesh is already included in the difficult areas category.

(iii) **Pradhan Mantri Rozgar Yojana (PMRY) :** Ministry of Agro & Rural Industries would provide for states of Himachal Pradesh and Uttarakhand relaxation under PMRY with respect to Age (i.e. 18-40 years from 18-35 years) and Subsidy ( @ 15% of the project cost subject to a ceiling of Rs.15,000/- per entrepreneur).

### **3.4 Ineligible Industries under the policy:**

The list of industries excluded from the purview of proposed concessions is at Annexure-III.

In addition, the Doon Valley Notification (S.O.No. 102(E) dated 1<sup>st</sup> February, 1989 (Annexure-IV) as amended from time to time, issued by Ministry of Environment & Forests would continue to operate in the Doon Valley area and the industries notified under it are excluded from the proposed concessions, in the state of Uttarakhand.

### **3.5 Nodal Agency**

The Nodal Agency for routing the subsidies/incentives under various schemes under this Policy will be notified separately.

4. Government reserves the right to modify any part of the policy in the interest of public.

5. The Ministry of Finance & Company Affairs (Department of Revenue), Ministry of Agro & Rural Industries, Ministry of Textiles, Ministry of Food Processing Industries, Ministry of Small Scale Industries, etc. are requested to amend Act/rules/notifications, etc. and issue necessary instructions for giving effect to these decisions.

**No.3 (a)/2003-SPS  
GOVERNMENT OF INDIA  
MINISTRY OF COMMERCE & INDUSTRY  
(Department of Industrial Policy & Promotion)  
New Delhi, dated 21<sup>st</sup> June, 2005  
OFFICE MEMORANDUM**

**Subject: New Industrial Policy and other concessions for the state of Uttarakhand and the state of Himachal Pradesh-amendment regarding.**

The New Industrial Policy and other concessions for the State of Uttarakhand and the State of Himachal Pradesh was announced vide OM No. 1 (10)2001-NER dated 7<sup>th</sup> January 2003. Subsequently references were received from various Associations, etc for amendment in the Negative List pertaining to Paper. The issue has been considered in this Department and it has been decided that the S. No. 19 of the Negative List for Uttarakhand & Himachal Pradesh (Annexure III) relating to 'Paper' is amended as under:

Sl.No.	Heading no.	Sub heading no	Description of goods
1	47.01	4701.00	Manufacture of pulp-wood pulp, mechanical or chemical including dissolving pulp.
2	48.01	4801.00	Newsprint, in rolls or sheets
3	48.02		Uncoated paper & paper board of a kind used for writing, printing or other graphics purpose and punch cardstock and punch tape paper in rolls or sheet.
4		4802.20	Paper or paperboard, in the manufacture of which: (a) the principal process of lifting the pulp is done by hand and (b) If power driven sheet forming equipment is used the Cylinder, mould vat does not exceed 40 inches.
5		4802.30	Maplitho paper supplied to a Braille press against an indent placed by the National Institute for Visually Handicapped, Dehradun.

6		4802.30	Others
7	48.03	4803.00	Toilet or facial tissue stock, towel or napkin stock and similar paper of a kind used for household or sanitary purposes, cellulose, wadding and webs of cellulose fibres, whether or not creped, crinkled embossed, perforated, sufact-coloured, surface decorated or printed, in rolls of a width exceeding 36 cms. or in rectangular (including square) sheets with a least on side exceeding 36 cms in unfolded state.
	48.04		Uncoated Krat paper and paper board in rolls or sheets.
8		4804.10	Kraft paper supplied to a Braille press against and indent placed by the National Institute for visually Handicapped, Dehradun
9		4804.20	Kraft paper and paper board used in the manufacture of cartons for packing of horticultural produce,
10		4804.90	Others
11	4805.00	4805.00	Other uncoated paper and paperboard, in rolls or sheet, not further worked or processed than as specified in note 2 to this chapter.
12		4806.10	Grease-proof paper
13		4806.20	Glassine and other glazed transparent or translucent paper
14		4806.90	Others
	48.07		Composite paper and paper board (made by sticking flat layer of paper or paperbaod together with an adhesive), not surface coated or impregnated, whether or not internally reinforced, in rolls or sheets.
15		4807.91	Straw Board, in the manufacture of which sun-drying process has been employed.
16		4807.92	Straw paper and other straw board,

			whether or not covered with paper other than straw paper.
		4807.99	Other
17	4809		Carbon paper, self copy paper and other copying or transfer paper (including dcoated or impregnated paper for duplicator-stencil or offset plates) whether or not printed in rolls of a width exceeding 36 cm or in rectangular (including square) sheet with at lease side exceeding 36 cm in unfolded state.
18		4809.10	Carbon or similar copying papers
19		4809.20	Self – copy paper
20	48.10		Paper and paper board, cotred on one or both sides with Kaolin (china clay) or other inorganic substances, with or without abinder and with no other coating, whether or not surface coloured, surface-decorated or printed in rolls or sheets.
21		4810.10	Paper and paperboard of a kind used for writing, printing or other graphic purpose.
22		4810.20	Kraft paper and paperboard other than that of a kind used for writing, printing or other graphic purposes
23		4810.20	Other paper and paper board
	48.11		Paper, paper board, cellulose wadding and webs of cellulose fibres, coated, impregnated, covered, surface colored, surface decorated or printed, in rolls or sheets.
24		4811.10	Tarres, bituminized or asphalted paper and paperboard
25		4811.20	Gummed or adhesive paper and paperboard paper and paperboard coated, impregnated or covered with plastic (excluding adhesive)
26		4811.31	Products consisting of sheets of paper of paper board impregnated, coated or covered with plastic (including

			thermoset resins or mixtures thereof or chemical formulations containing melamine, phenolurea formaldehyde with or without curing agents or catalysts), compressed together in one or more operations; products known commercially as decorative laminates.
27		4811.39	Other
28		4811.40	Paper and paperboard, coated, impregnated or covered with wax, paraffin wax, stearin, oil or glycerol
29		4811.90	Other
30	48.13	4813.00	Cigarette paper, whether or not cut to size or in the form of booklets or tubes.

(PUBLISHED IN THE GAZETTE OF INDIA, EXTRAORDINARY, PART-1. SECTION-1)

**Government of India**  
**Ministry of commerce & Industry**  
**(Department of Industrial Policy & Promotion)**

**NOTIFICATION**

New Delhi, January 08, 2003

F. No. 1 (10) 2001-NER. The Government of India is pleased to make the following scheme of Central Grant or Subsidy for Industrial units in the States of Uttarakhand and Himachal Pradesh with a view to accelerating the industrial development in the States.

**1. Short Title**

The scheme may be called the Central Capital Investment Subsidy Scheme 2003

**2. Commencement and duration of the Scheme**

It will come into effect from 7th January, 2003 and remain in force upto and inclusive of 31st March, 2010

**3. Applicability of the Scheme**

The scheme is applicable to all industrial units in the Growth Centres approved for Uttarakhand and Himachal Pradesh and also to the new Industrial units or existing units, Join their substantial expansion, in Growth Centres or Industrial Infrastructure Development Centres (IIDC) or industrial estates/parks/export promotion zones and commercial estates set up by states of Uttarakhand and Himachal Pradesh and to new industrial units or existing units on their substantial expansion in the specified thrust Industries (as at Annexure) located outside these growth centres and other identified locations.

**4. Eligibility period**

The subsidy will be available during the duration of the scheme, to an eligible industrial unit for a period of ten years from date of commencement of commercial production.

**5. Definitions**

(a) Industrial Unit means any industrial unit where a manufacturing programme is carried on or suitable servicing unit as defined in M/o 551 letter no. 2 (3)/91-551. Bd dated 30-9-1991, other than that run Department by Government.

(b) 'New Industrial Unit' an industrial unit for the setting up of which effective steps were not taken prior to 7th January, 2003

(c) 'Existing Industrial Unit' means increase by not less than 52% in the value of fixed capital investment in plant and machinery of an industrial unit for the purpose of expansion of capacity/ modernization and diversification.

(e) 'Effective steps' means one or more of the following steps:-

- (i) That 10% or more of the capital issued for the industrial unit has been paid up;
- (ii) That any part of the factory building required for manufacturing activity has been constructed;
- (f) 'Fixed Capital Investment' means investment in plant and machinery required industrial unit for the purpose of this scheme.

#### **6. Extent of admissible subsidy**

All eligible industrial units located in the Growth Centres of HOE or industrial estates/ parks/ export promotion zones and commercial estates set up in Uttarakhand and Himachal Pradesh shall be given capital investment subsidy at the rate of 15% of their fixed capital investment in respect of new units or additional investment in respect of substantial expansion by an existing units in the plant and machinery, subject to a maximum ceiling of Rs. 30 lakh

6.1 Similar benefits would also be extended to the new industrial units or to the existing units, on their substantial expansion, in other Growth Centres or HOC or industrial estates/parks/export/ promotion zones and commercial estates set up by the Governments of Uttarakhand and Himachal Pradesh , new industrial unit or to the existing units, on their substantial expansion in the specified thrust industries (as at Annexure located outside these Growth Centres and other identified location, would also be eligible for similar fiscal incentives.

#### **7. Plant & Machinery**

In calculation the value of plant and machinery, the cost of industrial plant and machinery as erected at site will be taken into account which will include the cost of productive equipment, such as tools, jigs, dies and moulds, insurance premium and their transportation cost.

- (a) The amount invested in goods carriers to the extent they are actually utilised for transport of raw material and marketing of the finished products, will be taken into account.
- (b) Working capital including raw material and other consumables stores, will be excluded for computing the value of plant and machinery.

#### **8. Designated agency for disbursement of subsidy**

The designated agency for disbursement of Capital investment Subsidy will be notified in consultation with the State Government concerned.

#### **9. Procedure for claiming Capital investment Subsidy.**

Industrial units eligible for subsidy under the scheme will get theme selves registered with the State Industries Department prior to taking effective steps for setting up the new units or undertaking substantial expansion of the existing units and indicate, in their claim for investment subsidy, their assessment of the total fixed capital additional fixed capital likely to be invested by them in the plant and machinery of their unit.

#### **10. Procedure for disbursement of Capital Investment subsidy**

The State Government I will set up a Committee consisting of a representative each of the State Finance Department and State Directorate of Industries and if the industrial unit

is to be assisted by a financial institution concerned, which would go into each case to decide whether it should qualify for the grant of subsidy and also about the quantum of subsidy.

10.1 In respect of a new industrial unit set up without assistance from the financial institutions or the State Government the subsidy will be disbursed to the unit by designated Agency on the recommendation of the State Government at the time the unit goes into production. Similarly, In respect of substantial expansion by an existing industrial unit without assistance from the financial institutions of the State Government the Subsidy will be disbursed to the unit by Designated Agency on the recommendation of the State Government after substantial expansion has been effected and the unit has gone into the increased production. However, in such cases, funds, not more than half of the amount of the estimated subsidy may be released prior to the unit going into production on the entrepreneur's furnishing a proof of having taken effective steps to the satisfaction of state directorate of industries and the remaining amount be released only after the unit goes into production.

10.2 In respect of an industrial unit to be assisted by the State Government, the subsidy will be disbursed to the unit by Designate Agency on the recommendation of the State Government. In such cases, the contract/agreement to be drawn up between the State Government and the unit concerned may cover mortgage, pledge, hypothecation of the assets up to the amount of the subsidy. In respect of new industrial unit or in respect of substantial expansion of an existing industrial unit to be assisted by a financial institution the subsidy will be disbursed to the unit by the financial institution the subsidy will be disbursed by the financial institution in as many installment as the loan is disbursed by the financial institution and simultaneously claimed by the financial institution from Designated Agency. In such cases, the contract/ agreement to be drawn up between the financial institution and the unit up to the amount of the loan to be advanced by the financial institution concerned and the subsidy.

## **11 Rights of the Centre / State Government / Financial Institutions:-**

If the central Government/State Govt./ Financial Institutions concerned is satisfied that the subsidy or grant to an industrial unit has been obtained by misrepresentation as to an essential fact, furnishing of false information or if the unit goes out of production within 5 year after commencement the central Government/ State Government / Financial Institutions concerned may, after giving opportunity to the unit concerned of being heard, ask the unit to refund the grant or subsidy already received.

12. Without taking prior approval of the Ministry of Commerce & Industry, Department of Industrial Policy and Promotion & State Govt. / Financial Institutions concerned, no owner of an industrial unit after receiving a part of the whole of the grant or subsidy, will be allowed to change the location of the whole or any part of industrial unit or effect any substantial contraction or disposal of a substantial part of its total fixed Capital Investment, within 5 years after its going into production.

13. In respect of all units to whom the grant or subsidy has been disbursed by the Financial Institutions/ State Government certificate of utilization of the grant or subsidy for the purpose for which it was given, shall be furnished to the Central Ministry of Commerce

& Industry, department of industrial policy and promotion by the financial institution / State Government within a period of one year form the date of receipt of the last installment/ full amount.

14. After receiving the grant or subsidy each industrial unit shall submit Annual progress report to the Ministry of Commerce & Industry, Department of Industrial Policy and Promotion/State Government (as may be designated) about its working for the period of 5 years after going into production.

**CORRIGENDUM**  
**New Delhi, the 16<sup>th</sup> September, 2004**

F.No. 9(13)/2003-SPS (iii)-In the Government of India, Ministry of Commerce & Industry Department of Policy & Promotion Notification no. 1(134)/2003-SPS (iii) dated 14<sup>th</sup> September, 2004 for amendments to the Central Capital Investment Subsidy Scheme 2003 relating to Himachal Praesh and Uttarakhand, the Appendix referred to in para 7 (c ) may be read as under:

**“Appendix”**

Definition of Plant & Machinery for Eco-Tourism Units

- (a) In case of Houseboats, the entire houseboat project alongwith its fitting and furnishing should be treated as plant and machinery.
- (b) In the case of hotel, resort and guest house (Laddah only), the investment in plant & machinery is negligible in comparison to the cost of land and building. Therefore, building should also be included as a part of plant and machinery. Besides this, the items given at (c) below may be taken into account for calculating the value of plant & machinery.
- (c) An illustrative list of plant and machinery / equipment is given below;
  - 1. Filtration plant for swimming pool
  - 2. Water purification plant
  - 3. Hot water boiler and room heating equipment (fixed)
  - 4. Water softening plant
  - 5. Fume extraction and ventilation plant.
  - 6. Air conditioning plant
  - 7. Cold storage equipment
  - 8. Landry equipment.
  - 9. Cooler and refrigeration equipment.
  - 10. Bakery equipment
  - 11. Sewage disposal plant
  - 12. Electrical installations
  - 13. Tents for camping
  - 14. Kitchen equipment, cooking rang, dish washer, worker table.
  - 15. Fire fighting equipment/ exchange

16. Telephone equipment/exchange
17. Lifts
18. Safe deposit lockers
19. Tube wells alongwith pumping sets and lines within the campus.
20. Goods carrier exclusively needed for the hotel.
21. Project or and other equipments for conference hall (fixed)
22. Lighting equipment.
23. Adventure and water sports equipments.

(d) For adventure & leisure sports, amusement/entertainment parks, cable car, ropeways and spa, the entire project cost of these units (excluding land) may be taken into account.

G.S.R 10(E) dated the 1<sup>st</sup> of March, 2006.

### **Policy for Re-constitution of ownership of Plots**

The Board of Directors in their meeting of 10th May, 2006 had taken a decision to put a blanket ban on all transfers, name changes, reconstitution of ownership etc. of plots allotted at various SIDCUL industrial estates. The blanket ban was imposed to stop trading and speculation in plots by allottees instead of using it for industrial purposes. Reconstitution and name change was also banned as these could be used as indirect instrument for transfer ownership.

Subsequent to 25th May, 2005 SIDCUL has been obtaining an Undertaking from the allottees that they will not apply for either transfer, name change or change of constitution of ownership. This ban was put in place till 31 March, 2007 the last date for commercial operations to be entitled to the CIP benefit.

Although, this has gone a long way in ensuring proper utilization of plots and has considerably reduced instances of transfers, as a result of this ban certain genuine cases, where the change in constitution has been required to take additional loans from the banks (from partnership / proprietorship to limited company) or tax planning (from Company to partnership/ proprietorship) or even infusion of new partners (s)/ shareholder (s) without sacrificing the majority, inclusion of family members as partner (s)/ shareholders (s), to strengthen the financial/ managerial capabilities.

On August, 02, 2006, the Government of India, extended the CIP by 3 years.

The Board of Director in their meeting of 10th August, 2006 discussed the issue of reconstitution in light of the problems being faced by the allottees and extension of CIP by Government of India and authorized the Managing Director/Joint Managing Director to allow reconstitution even in cases an Undertaking has been obtained in the past, having passed a reasoned order in writing and where they are satisfied that the case so merits the consideration and is unlikely to be a pseudo transfer.

Consequently, the Managing Director has directed that the Allotment Committee constituted under the Office Order dated 23rd February, 2005 be deemed as the committee

for considering all cases for reconstitution as well. The Company Secretary would be additional member of both the committees and would have analyzed all cases before they are brought to the consideration of the committee.

The committee while considering cases of reconstitution of vacant plots/non-operational (provided an application is made within 24 months of allotment) will look into the following aspects/documentation:

4. A detailed questionnaire giving all the details of the case in question is filled by the concerned allottee;
5. Partners/Shareholders at the time of the allotment;
6. Partners/Shareholders at the time of application for re-constitution;
7. Documentary evidence, proving beyond doubt, for the above & whether majority (51%) of the original proprietor/partners/shareholders will be retained;
8. Reasons for applying for reconstitution & where stated reason is loan from the banks, then a letter be obtained from the bank, confirming the necessity for reconstitution as well as the amount of loan and proportion of loan in the total funding of the project;
9. Reasons for tax planning would involve conversion of a limited company to proprietorship/partnership and should not involve any change in ownership,
10. Changing ownership by bringing in family members as laid down in the current policy should be allowed;
11. Once the change in reconstitution has been allowed, second re-constitution should be allowed only when the committee is convinced beyond doubt that there is a genuine need for the reconstitution;
12. All approved reconstituted allottees should be required to file an annual statement of partnership/directorship/shareholding, duly certified by the Statutory Auditor of the Company;
13. By operation of law in case of death or permanent disability of a partner/proprietor;
14. In case of changes in constitution/name on account of operation of law and particularly in case of order of an High Court for amalgamation/merger etc.

the same be allowed under the existing policy for reconstitution/change in name;

15. A levy of 15% of the current SIDCUL base rate will be applicable in case of reconstitution is allowed beyond 24 month period;

16. Any other case, where the committee is satisfied and records so in writing that the case other consideration is not a transfer but that on a genuine business need.

In case of plots where a unit has become commercially operational, the reconstitution will be allowed on payment of reconstitution levy of:

(a) nil-in case the consequent change in shareholding/proportionate capital control changes by less than 24%;

(b) 5% of the current SIDCUL base price-in-case the consequent change in shareholding/proportionate capital control changes by less than 49%.

However in case of listed companies in both the above mentioned cases, a change in shareholding pattern shall not be treated as reconstitution of the company for this purpose.

**Policy Regarding Product Change or Permission to add Products without any change in shareholding/proportionate capital control of the allottee.**

Various instances where an allottee has requested that the project for which a particular plot was allotted be changed or certain other related or non-related product be allowed to manufacture under a second unit on the same plot.

It is desirable that there be least possible obstructions in allowing change in business line, which occur due to several reasons-change in business cycle, change in tax regime or rates (for e.g. removal of excise on certain food products), attractiveness of a certain product (auto ancillaries). However, at the same time it is important to ensure that the product change has not arisen as a result of change in ownership, particularly by transfer of shares of companies.

The following parameters should be thus considered before allowing change of product:

7. Partners/Shareholders at the time of allotment;

8. Partners/Shareholder at the time of application for product change or product addition;
9. Documentary evidence for the above & confirmation there is no change in the capital constitution of the original proprietor/partners/shargholders.
10. Reasons for applying for product change or addition of product;
11. Whether change or addition of the product is in the same line of business;
12. Whether substantial construction has commenced.

The allottee would be required to fill detailed questionnaire providing for all details of original allotment, product planned to be originally manufactured, changes, reason for changes, share capital details of loans (if any), etc.

All approved allottees should be required to file an annual statement of partnership/directorship/shareholding, duly certified by the Statutory Auditor of the Company;

Any change in product alongwith change in shareholding/proportionate ownership will be treated under the policy for reconstitution. However, a change in shareholding of a listed company would not be treated as reconstitution of the company for this purpose.

### **Policy for Restoration of Cancelled plots**

The Board of Director, on 25<sup>th</sup> May, 2005, in light of the sunset date of 31 March, 2007 directed SIDCUL management to obtain an undertaking requiring the allottee to take possession and enter into a lease deed within 60 days of allotment and commence construction within 90 days of allotment.

The lease deed requires the lessee to be commercially operational within 24 months of allotment.

Cancellations have been resorted to in cases which any of the above conditions have not been met. The existing policy allows the managing Director to restore the plots to the allottee on payment of a restoration fees of 7.5% of SIDCUL base rate of allotment, provided an application is made within 45 days of allotment and the management is satisfied that the allottee is indeed interested in setting up the industrial unit within a reasonable time frame.

However, in cases where 24 months have elapsed, no restoration has been allotted as it has been deemed to be more than sufficient time to set up a unit and failure to do so clearly shows disinterest and intentions of trading/speculation in land.

In case of M/s Pragati Telcom, the Hon'ble High Court of Uttaranchal ordered SIDUCL to restore the plot to the allottee however, restoration was to be treated as allotment "de novo" and was to be made at the current base price of allotment. Subsequent to the decision of the Hon'ble High Court, in all restoration cases in Haridwar, the same policy has been adopted.

In Pantnagar, however, due to large scale cancellations and in a large number of cases the current base price and allotment price being the same, the original policy of imposing 7.5% of base price as restoration fees has been imposed. However, in addition, a Bank Guarantee with specified time frames for construction has been obtained to ensure timely compliance.

On August, 02, 2006 the Government of India, extended the CIP by 3 years. Several requests have been made to the JMD for reconsidering the current policy of restoration and take a more lenient in light of extension of the CIP. The same was discussed at the Board of Directors meeting of 10<sup>th</sup> august, 2006 and it was agreed that SIDCUL should continue its stringent stand on cancellations/restorations, as taking a more lenient view might encourage trading/speculation.

Restorations be allowed, where the Managing Director/ Joint Managing Director are satisfied that the allottee is interested in commencing construction immediately and will

complete construction within a reasonable time frame, as may be required in the specific industry, provided:-

- (a) application for restoration is made within 45-days of the cancellation order laying down the reasons for inability to meet the conditions of allotment, along with the application fees;
- (b) On approval of restoration, the restoration be allowed at the current base price for allotment or 7.5% of the current SIDCUL base rate of allotment, which ever is higher;
- (c) Specific time frame for commencing and completing construction is agreed to and an affidavit to the effect obtained;

-Sd-  
**Managing Director.**

## Application Form for Reconstitution/Change of product of the company/firm/Proprietorship concern

To,

**The Managing Director,  
State Infrastructure & Industrial Development Corporation of Uttarakhand Ltd.,  
2, New Cantt Road  
DEHRADUN.**

**Dear Sir**

I/We apply for requirement/change addition of product for plot no. .... Sector in the Industrial Estate.

### 1. PERSONAL DETAILS

1.1 Name of the Company/Firm/ Proprietorship concern (as on date) : Shri/Smt./Km./M/s

## State-of-the-Art Information Technology Park at Dehradun

Department of Information Technology & Industrial Development and State Industrial Development Corporation of Uttarakhand Ltd. (SIDCUL), as the nodal agency to promote the development of industrialization in the State of Uttarakhand, has prioritized the establishment of “International Quality” IT infrastructure in the state. It plans to develop a state-of-the-art Information Technology Park in more than 60 acres at Sahastradhara road, Dehradun, the State Capital with Intelligent Buildings and a Hi-tech Habitat Centre

The vision of the State Government of Uttarakhand is to promote the development of Information Technology industry in the State. In this endeavour, the State Government has undertaken major initiatives in IT Education, formulation of a Pro-active IT Policy and development of International Quality infrastructure.

## **Procedure for appointment of PMC & Award of work**

SIDCUL has executed all major infra structure work through bidding process. For getting the work done consultant & Project Management Consultant were appointed. The appointment of consultant & Project Management Consultant were done by bidding process. For major work all estimates/DPR were prepared by the consultant and Tender notices were invited publishing through newspaper & web site of SIDCUL through open bidding process. Evaluation of the bids were done and work were awarded to the agencies who full-fill the required condition provided in the bid document. After award of the work Project Management Consultant were appointed to supervision of the work and payment are made after verification of the work by PMC & concerned officers. There is also provision for ensuring quality control for the same SIDCUL engaged different agencies like RITES, IIT Roorkee, Pantnagar University etc. after ensuring the quality of the work & verified of the same from the concern PMC the payments are done. Some of the works are being executed from specialist Govt. agency on deposit bases.

10<sup>th</sup> June, 2003.

**Notification No. 50 /2003 - Central Excise**

G.S.R (E) .- In exercise of the powers conferred by sub-section (1) of section 5A of the Central Excise Act, 1944 (1 of 1944) read with sub-section (3) of section 3 of the Additional Duties of Excise (Goods of Special Importance) Act, 1957 (58 of 1957) and sub-section (3) of section 3 of the Additional Duties of Excise (Textiles and Textile Articles) Act, 1978 (40 of 1978), the Central Government, being satisfied that it is necessary in the public interest so to do, hereby exempts the goods specified in the First Schedule and the Second Schedule to the Central Excise Tariff Act, 1985 (5 of 1986), other than the goods specified in Annexure-I appended hereto, and cleared from a unit located in the Industrial Growth Centre or Industrial Infrastructure Development Centre or Export Promotion Industrial Park or Industrial Estate or Industrial Area or Commercial Estate or Scheme Area, as the case may be, specified in Annexure-II appended hereto, from the whole of the duty of excise or additional duty of excise, as the case may be, leviable thereon under any of the said Acts.

2. The exemption contained in this notification shall apply only to the following kinds of units, namely:-

- (a) new industrial units which have commenced their commercial production on or after the 7<sup>th</sup> day of January, 2003;
- (b) industrial units existing before the 7<sup>th</sup> day of January, 2003, but which have undertaken substantial expansion by way of increase in installed capacity by not less than twenty five per cent, on or after the 7<sup>th</sup> day of January, 2003.

3. The exemption contained in this notification shall apply to any of the said units for a period not exceeding ten years from the date of publication of this notification in the Official Gazette or from the date of commencement of commercial production, whichever is later.
