Office Order

Sub: Installation of Sub-Meters by the units undergone/undergoing expansion which are eligible under Mega Industrial & Investment Policy (MIIP) – 2015 or Mega Textile Park Policy (MTPP) – 2014 – regd.

For the purpose of calculating precise consumption of electricity separately for the existing and expanded portion of the units undergone/undergoing expansion, eligible for benefits under Mega Industrial & Investment Policy (MIIP) – 2015 or Mega Textile Park Policy (MTPP) – 2014, it is hereby directed that such units should ensure the following, for claiming Power Bill Rebate:

- 1 Two nos. of sub-meters, in addition to the main meter have to be installed by the unit, one sub-meter for metering the electricity consumption of the existing unit and the other sub-meter for metering the electricity consumption of the expanded portion of the unit.
- 2 Both the sub-meters have to be tested and certified by Uttarakhand Power Corporation Limited (UPCL) before installation. Meter readings of both submeters duly certified by UPCL to be annexed with the claim form.
- 3 The applicant unit has to provide the details of total electricity units consumed and average electricity units consumed during last one-year period prior to the date of commencement of production after completion of expansion, duly certified by UPCL.
